

Hymn 506a

(Supplement 8 in selectiebundel)

Hymn voor Lofprijsing (Doxologie)

The image shows two staves of musical notation for organum, typically played on a three-manual organ. The notation consists of vertical stems with black dots (for higher notes) and open circles (for lower notes). The music is divided into measures by vertical bar lines and into voices by horizontal bar lines. The lyrics are written in Dutch, corresponding to the music, with some words repeated across measures.
